Scholarship Program Wentzville Residents Only

It is our philosophy that recreation programs enhance the lives of participants. **We would like every child to have the opportunity to participate. Providing children with scholarship opportunities is an important investment in the community.** Wentzville Parks and Recreation Department offers a scholarship program to economically disadvantaged

families of our community. This will allow their children, 15 years of age and younger, who are residents of Wentzville, the opportunity to participate in certain recreational programs and activities sponsored by the department. It's important that every child in the community has the opportunity to enhance their lives through recreation. You must be a resident of the City of Wentzville to be eligible for these scholarships. Scholarships are limited and certain criteria must be met. Scholarships may not be given for every program. An individual may only receive one scholarship per program brochure. For more information call Wentzville Parks and Recreation Department at 636-332-9236.
