Celebrate Spring at Wentzville's Easter EGGstravaganza

[Wentzville, Missouri — April 6, 2022] Now that spring has begun, Wentzville Parks and Recreation is looking forward to the annual Easter EGGstravaganza. This beloved event is a wonderful way to kick off spring in Wentzville!

The festivities begin early on Saturday, April 9 with the Egg Hunt starting at 9 a.m. at Heartland Park. Prior to 2020, this event was offered on large Community Fields covered with eggs. A horn would sound and children would excitedly dash onto their age-appropriate field to gather as many eggs as they could. However, in 2021, we introduced a new format where families could reserve their own 20-foot-by-20-foot private field section for their children to hunt with whomever they chose to share it with. Based on feedback from last year, we are pleased to offer this year's Egg Hunt with both Community and Private Field formats so families can register for the experience they prefer. Some eggs will contain slips of paper that can be exchanged for exciting prizes! The Easter Bunny will be there to take photos with families from 9-11 a.m. Attendees are also invited to enjoy the inflatable slide, play on the all-inclusive Jake's Field of Dreams Playground and enjoy the beautiful walking trails around the park.

The day wraps up with the Bone Hunt at Rotary Park. Beginning at noon, families with dogs will be able to participate in a hunt of their own for treats and toys. There will be a drawing for a prize and every pup will get a goody bag to take home for their canine companions to enjoy. Proof of canine vaccinations is required in order to participate.

Please visit www.wentzvillemo.gov/EGGstravaganza or call (636) 332-9236 for more information or to register for these events.
