

# Do you need money for emergency home repairs?

St. Charles County provides income qualifying residents of the Urban County who experience an emergency need for eligible home repairs.

## PROGRAM DESCRIPTION

This program is available to all eligible participants living within *unincorporated St. Charles County, Dardenne Prairie, Lake St. Louis, Cottleville, St. Paul, St. Peter, Weldon Spring, and Wentzville.*

This program will provide **0% interest 5-year forgivable \$5,000 loans** to income qualifying households for emergency repairs. Emergency repairs could include water, sewer and HVAC repairs. The household must qualify as low income with priority given to those households meeting very low income guidelines. The table below lists 2014 income limits based upon 2013 Federal Income Tax Returns. If the homeowner continues to live in and maintain the home for five years from the date of signing the loan document, the loan is **automatically forgiven**.
