

The City of Wentzville is a community of neighbors working together to build a better future.

Citizens of Wentzville;

Let me introduce myself, I am Det. Sgt. Joseph Right of the Wentzville Police Department, and on the behalf of the members of the department, I welcome you to our community. In order to continue the quality of life in the area, I would like to offer as part of our community involvement a comprehensive security evaluation of your home or business.

The evaluation would be conducted by members of the detective bureau, who would suggest ways of keeping your valuables safe, therefore lessening the likelihood of you becoming a victim. We would also answer any questions you may have concerning the law enforcement community serving the City of Wentzville.

The members of the department strive to maintain a positive presence in the community, interacting with the citizens we serve. If you would like to have a study of your home or business conducted please make an appointment by calling me on my office phone at 636-639-2128.

If you are aware of any criminal activity or any unusual occurrence, which you would like to report, but wish to remain anonymous, you can use the Crime Tip Hotline at 636-639-2180.

Again welcome and if there is anything that I might be able to help you with, contact me at the above number or contact the main number of the department at 636-327-5105 for additional services.

Thank You,

Det. Sgt. Joseph Right
