Volunteers welcome!

New, exciting programs!

Greetings from the Director

There's so much going on this winter in Wentzville, that you might not notice snow accumulation and plunging temperatures. As you look ahead to 2016, I hope you will take time to unwind, enjoy your family and be active. The department provides some of the very best recreation programs and facilities in the state of Missouri — we hope you will take advantage of them. They are your parks, your programs, and your facilities, and we are here to serve you.

The Recreation staff continues to respond to your requests for more programming ... just take a look through this brochure to discover all we offer to keep you fit and active through the cold-weather months. If you want to get a jump on counteracting the effects of turkey indulgence, Progress Park fitness facilities are open and you'll find holiday hours for all facilities on page 5. And, to help you keep your New Year's fitness resolutions, the department offers fitness classes suitable for all ages and abilities. Or, get active and have a great time with a group of your friends by entering a team in one of the basketball or volleyball leagues that we offer. The fitness and fun options are nearly endless.

Don't forget to sign your children up for something fun to do during spring break. The Spring Break Camp at Progress Park, for 6-12 year olds, provides days of fun filled with games, crafts and other activities — all under the supervision of dedicated staff. It's a great way for them to spend time with their friends while school is out. (Learn more on page 23.)

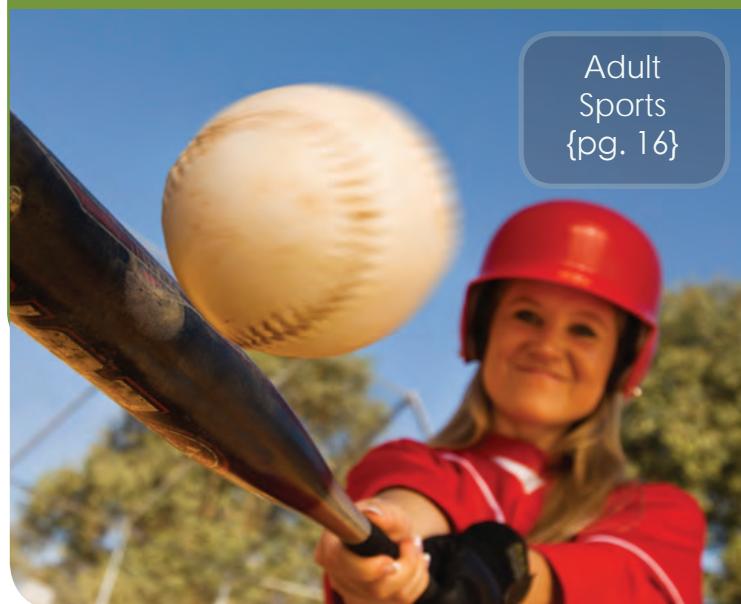

Finally, welcome to our two newest Parks and Recreation Board Members, Jeremy Prichett and Tom Haun — we're so happy to have you on board! And, a sad farewell to Board Member Bob Burke (see more on page 9).

On behalf of the Parks and Recreation Board and the City staff, we wish you a joyous holiday season and a happy, rewarding New Year.

Mike Lueck, Director

Friends of the Wentzville Parks (FOWP)

FOWP is a 501(c)3, nonprofit organization. The mission of Friends of the Wentzville Parks is to help bring about a world-class parks and recreation department to the City of Wentzville. The organization is determined to raise both awareness and money for our parks. Established in 2008, FOWP has been working for the community through activities and fundraisers. We invite you to become a part of our group and membership is free! Join and learn about the benefits Wentzville's Parks and Recreation Department provides for you, your family and our community. Become a friend today, the benefits are endless. To learn more, please visit www.friendsofthewentzvilleparks.org.

Memorial Tree and Bench Program

The City of Wentzville Parks and Recreation Department offers community members the opportunity to honor loved ones within our park system. Legacy trees and memorial benches provide a lasting way to pay tribute to a loved one or friend. You may also provide an unspecified donation to be used for park and recreation purposes. For further information, please contact Linda Ziolko at (636) 639-2082 or Linda.Ziolko@wentzvillemo.org.

We need your help!

Vandalism in your park system is a serious, unnecessary and costly problem. Each year, the City spends thousands of tax dollars to remove graffiti and repair damage done by vandals. We would much rather use your funding to enhance and beautify the parks! If you have a cell phone with you or live adjacent to a park, you can help us out with "PARK WATCH" program. If you see anyone acting suspicious, damaging property, driving on the grass or defacing playground equipment, please call the Wentzville Police Department at (636) 327-5105 and report what you see. THANK YOU!

Recognition of Robert "Bob" Burke Park Board Member | 2004-2015

We want to take this opportunity to thank Robert "Bob" Burke who recently retired from the Parks and Recreation Board, for his many years of service. For those of you who may not know Bob, he has been a very dedicated member of this community since moving here in 1987. In 2003, Bob was recognized as Wentzville's Park Volunteer of the Year, and in 2007 Bob was honored as the Missouri Parks and Recreation Association's Outstanding Volunteer of the year. Bob served on the Parks and Recreation Board from 2004 to 2015, and he was awarded the City of Wentzville's very first Citizen of the Year award in 2011. Bob also contributed a great many hours at St. Joseph's Hospital-West and has been active in volunteering with the American Legion. The list of Wentzville parks projects that Bob has been a part of is impressive, and it would be very difficult to argue that Bob has not made Wentzville a better place to live and raise our children. Bob Burke has set the bar very high for the rest of us in terms of his energy and commitment to the community. Mr. Burke, thank you for all you have done for this community!

At the end of the book, each child will get to create their very own craft to take home. A snack and drink will conclude the class. (Min 5/Max 15)

Unless otherwise noted: all classes are one hour in length; preregistration is required for all programs; and registration closes one week in advance.

You won't want to miss Wentzville's ALL-NEW event! The Wentzville Days Fair and Music Festival has collaborated with the Wentzville Blues and Classic Rock Festival to bring a three-day, family-friendly celebration to the streets of Downtown Wentzville. The committee is working on several new festival additions such as a barbecue contest, new bands and entertainment options, an exclusive children's area including a carnival, and much more. The event was created using the Wabash Days structure, but keeping in mind the traditions this town has grown to love.

We are looking for committee members and craft and food vendors. Sponsorship opportunities are also available. For questions about sponsorship opportunities or to get involved, please contact Colleen Mattaline at (636) 639-2088 or Colleen.Mattaline@wentzvillemo.org.
